Dear Marvin:

Please forgive the delay in replying to your letter of June 24 - I wanted to get the general reaction here before writing you. As far as data concerning our collection are concerned, there is no objection to your publishing them or mailing copies, as submitted to us, to your correspondents. Any authentic material concerning Zoological Gardens in general that appears in print is useful to everyone and we wish you success with your project. You are always free to examine our records.

Sincerely yours,

Lee S. Crandall
