Dear Marvin -

No Suricates here in recent years because of regulation forbidding importation of Monkeys. This will be straightened out soon but not yet. Used to be common enough as well as Cynictis. Joe is corresponding with someone about possible importation.

Yes, I knew Ted Rath had gone to Washington. Hope it works out.

Thanks for note re Jack Hensler - we weren't sure.

No trouble about the mammal cards - just let us know when you expect to come.

Yes we get the pub. of Japan Monkey Center - don't make much sense of it.

Hediger was here yesterday.

As ever
