Dear Darwin -

Grace Carroll and I will probably both be here next Saturday or so if you will stop in, we will arrange for you to see the Small Mammal House. At the same time, we can set up the mammal cards so that you can see them on Monday - don't know if anybody will be here then. No reason why you shouldn't quote our figures - they aren't secret!

Can't see any reason why the proposed Nat Zoo project should trouble you. Take quite a while for anyone else to catch up!

As ever

Lee
