Dear Max —

Thanks for your letter of the 22nd. As I understood it, you have a fairly free hand with the newsletter, which is good.

Also, I saw Thelge's cat paper which is useful in spite of the unconventional use of names.

Joe's Cyclops is still going on — it has already exceeded our previous record of 7 mo 10 days! That one was doing well enough until it died from an internal tumor.

If Columbus knows something about *Tamandua*, it would be useful to everyone. Very difficult!

Happy New Year!

Ever
Lee
