Dear Darwin

I'm ashamed to have been so slow in replying to your recent letter. Things have been happening, at least as far as I am concerned. The American Committee, of which I have been Sec.-Treas for 19 years, is in course of reorganization, hopefully for the better and this is keeping me busy. I hope to be able to turn over to someone else next spring.

I get down here at least two full days weekly and parts of the other three regularly and plan to continue at least for a

time.

I have sent you some
publications, via Clyde Hill,
at least 2 weeks ago and
they may have reached you
by now. She is trying to
see if they can be sent more
regularly.

Best regards

as ever

'Lee
